

The following Nevada courses have been determined to meet the minimum curriculum requirements approved by the Board to provide the 75-hour laser course for grandfathering. Courses taken outside of Nevada can be accepted and will be evaluated on a case by case basis.

The Nevada State Board of Cosmetology **does not endorse or promote any institution** and provides this list for informational purposes only. The Nevada State Board of Cosmetology has no jurisdiction over the quality of the education or the quality of the equipment used.

Please note that applicants for an advanced esthetic license by way of grandfathering must submit an online application with completed documents before **October 1, 2023**. After that date, **no application will be accepted**.
