NEVADA STATE BOARD OF COSMETOLOGY.

Case No. C-2022-01228

Petitioner,

VS.

COMPLAINT AND NOTICE OF HEARING

EVELYN FERNANDEZ (Student No. ST-102671),

Respondent.

Gary Landry, Executive Director for the Nevada State Board of Cosmetology ("Board"), submits this complaint for disciplinary action against, EVELYN FERNANDEZ (Student No. ST-102671) ("RESPONDENT"). The hearing will be held pursuant to Chapter 233B and Chapter 644A of the Nevada Revised Statutes ("NRS") and Chapter 644 of the Nevada Administrative Code ("NAC"). The purpose of the hearing is to consider the allegations stated below and to determine if the RESPONDENT should be subject to an administrative penalty as set forth in NRS 644A.850 and/or NRS 644A.950 and/or NRS 644A.955 and/or NRS 622.400, and the discipline to be imposed, if violations of law are proven.

I. JURISDICTION

- 1. RESPONDENT was at all relevant times mentioned in this Complaint registered with the Board as a cosmetology student.
- 2. As a cosmetology student, RESPONDENT is subject to the jurisdiction of the Board and the provisions of NRS Chapter 644A and NAC Chapter 644A.
- 3. Pursuant to NRS Chapter 644A, the Board is vested with the sole discretion to issue discipline for the practice of cosmetology, including cosmetology students.

II. FACTUAL ALLEGATIONS

- 4. Paragraphs 1 through 3 are incorporated herein by reference.
- 5. On or about December 2019, RESPONDENT became a registered cosmetology

student with the Board and was issued student number ST-102671, under which she enrolled

25

at Milan Institute of Cosmetology. Upon information and belief, RESPONDENT completed her course of study at Milan Institute of Cosmetology on or about September 2021 with 1600 hours.

- Prior to obtaining a license to practice cosmetology and/or to practice as a 6. cosmetologist, a student must take and pass a practical (hands on) exam as well as written exams that tests the student's knowledge on law ("law exam") and theory ("theory exam").
- 7. Upon information and belief, Milan Institute of Cosmetology proctored the student practice (hands on) exam for RESPONDENT.
- 8. Prior to sitting for the written exam, all testing candidates are instructed that they must store their small personal belongings, such as communication devices, watches, large jewelry, sunglasses, paper, writing instruments, keys, gloves, etc., in small lock bags and that all cell phones and smart watches must be locked in the locked bags prior to testing. ("Exhibit 1").
- 9. On or about March 17, 2022, RESPONDENT sat for the theory exam. During the exam, Board staff believed RESPONDENT was using her cell phone and attempted to secure the video camera footage. The video camera footage confirmed that RESPONDENT was using her cell phone during the examination. ("Exhibit 2")
- 10. Following review of the camera footage, Board staff ordered RESPONDENT to exit the testing room and notified RESPONDENT that her exam would be terminated for her cell phone use during the exam. Prior to exiting the premises, Board staff provided RESPONDENT the procedures to file a petition with the Board and notified RESPONDENT that she would not be permitted to retake the exam until the Petition was heard by the Board and a decision was rendered.
- 11. On or about March 17, 2022, RESPONDENT submitted a Petition to appear before the Board, wherein she stated that she "...understood that cell phones were not allowed in testing room and still chose to take mine inside. No reason on why." ("Exhibit 3")
- 12. During the April 11, 2022 Board Meeting, the Board by motion voted to file a formal complaint against RESPONDENT. Additionally, the Board by motion voted to allow

RESPONDENT to retake her theory exam, provided she cannot pay for her initial license until the fine is paid in full.

III.VIOLATIONS

First Claim for Relief

13. Paragraphs 1-12 are incorporated here by reference. RESPONDENT is subject to discipline before the Board pursuant to NRS 644A.850(1)(n) for engaging in any unfair or unjust practices, methods, or dealings, for misrepresenting her qualifications when she attempted to obtain a passing score on the theory exam by utilizing her cell phone while taking the March 17, 2022, theory exam.

IV. DISCIPLINE AUTHORIZED

- 14. NRS 644A.850 provides the grounds for suspensions, revocations, and other disciplinary action against licensees, and provides as follows:
 - 1. The following are grounds for disciplinary action by the Board:

 - (d) Gross malpractice.
 - (e) Continued practice by a person knowingly having an infectious or contagious disease.
 - (f) Drunkenness or the use or possession, or both, of a controlled substance or dangerous drug without a prescription, while engaged in the practice of cosmetology.
 - (g) Advertising in violation of any of the provisions of NRS 644A.800 or 644A.935.
 - (h) Permitting a license or certificate of registration to be used where the holder thereof is not personally, actively and continuously engaged in business.
 - (i) Failure to display the license or certificate of registration or a duplicate of the license or certificate of registration as provided in NRS 644A.530,

violation, unless, in the judgment of the Executive Director, the violation warrants a disciplinary hearing before the Board.

- 3. A person who violates a provision of this chapter or chapter 644 of NRS for which this section does not provide a specific fine, including, without limitation, a second or subsequent violation, may be:
 - (a) Ordered to appear at a disciplinary hearing before the Board; and
 - (b) Punished by the Board as set forth in NRS 644A.850.
- 20. NRS 644A.950 states the penalties which the Board is authorized to impose, and provides as follows:
 - 1. Every person violating any of the provisions of this chapter shall be guilty of a misdemeanor.
 - 2. Every person required by the provisions of this chapter to perform any act or duty who shall fail, refuse or neglect to perform the duty in the manner directed by the provisions of this chapter shall be guilty of a misdemeanor.
 - 3. Every person required by the provisions of this chapter to perform any duty at a specified time in a specified manner who shall fail, refuse or neglect to perform the duty at the time and in the manner provided by the terms of this chapter shall be guilty of a misdemeanor.

I. RELIEF SOUGHT

- 18. Based upon the allegations contained herein, the Executive Director prays for relief as follows:
 - a. That pursuant to NRS 644A.850(2)(d) the Board impose an administrative fine up to \$2,000.00 for each violation of NRS 644A for a total administrative fine of \$2,000.
 - b. That pursuant to NRS Chapter 622, the Board imposes the costs of the proceeding upon RESPONDENT, including investigative costs and attorneys' fees, if the Board otherwise imposes discipline on RESPONDENT.
 - c. Further, the Executive Director requests that the Board take such disciplinary action as it deems proper and just under the circumstances.

Seeking Approval For Student Enrollment

Date of Felony Act Oct 5, 2017

Please provide a typed statem To the Executive Director,

I am submitting my application for a chance to enroll in a nail technology program

I was convicted of two separate felony convictions The first conviction took place in 2016 which was Assault with a Deadly Weapon The second occurred in 2018 which resulted in a conviction of Battery with Substantial Bodily Harm

The first conviction's incident consisted of the following while following my children's father in my vehicle too closely, I ended up rear ending his vehicle

The second conviction consisted of the following I let my children's

Nevada State Board of Cosmetology Mail - [NVCOSMO] Felony Document Submissions - new submission

father borrow money I went to his residence to demand repayment in which resulted in a physical altercation During the altercation I grabbed scissors from my vehicle and cut him while he was hitting me After he stopped hitting me I immediately left

I learned a lot since my convictions First, I learned that violence is NEVER the answer Second, I learned over the years how much I lost being violent. Third, I learned how to respond if feeling threatened by someone; by avoiding toxic people or those who mean me any harm. As well, if avoidance of these persons are not possible, to try my hardest to separate myself without violence or call the authorities if someone does try to harm me. I also learned to never loan anyone money. Fourth, I have learned anger management and impulse control skills such as the power of prayer, meditation, time outs, and staying physically fit to reduce stress.

I would also like the Board Members to know what I have accomplished since my convictions. I have became a homeowner and have stayed gainfully employed in positions such as management. Lastly, but most important to me, is my completion of two degrees at the College of Southern Nevada. On May 16th, 2022 I will be graduating with an Associates of Applied Sciences in Business Management and an Associates in General Studies with a 3.1 GPA.

It is my intent to further my education in nail technology so that hopefully one day I can run my own nail establishment. I humbly submit this request to further my education and ultimately my life. Thank you for your time and consideration.

Kind Regards,

Taelor G Moore

I have read every file in Ms. Taelor Moore's folder. After careful consideration, I cannot grant Ms. Moore the right to receive her nail technology license since she has a violent crime as a part of her past sentencing. Please let Ms. Moore know that she can file to appear before the Board of Cosmetology at the next Board meeting to ask the Board to overturn my decision. You may inform her that I cannot grant a license to anyone convicted of a violent crime and that the Board is the only group that can grant her the right to obtain a license.

Sincerely,

Gary K. Landry Executive Director

Hello,

Our system shows that you have a salon establishment license that will expire in January. Please visit nvcosmo.com and complete the "salon license renewal" -- https://nvcosmo.typeform.com/to/dzJleh

Please ensure that your Nevada Secretary of State Business License is showing as active and current before submitting your renewal or it will not be processed. https://esos.nv.gov/EntitySearch/OnlineEntitySearch

In an effort to become paperless, the Board will no longer be sending reminders to renew in the mail. Please be mindful of the expiration date printed on your salon establishment license.

A salon renewal form will need to be completed for each of your salons. Any salon with a past-due balance will be required to pay the balance prior to renewing.

Gary K. Landry. Executive Director	Date

To The Board of Cosmetology:

Thank you for the opportunity to plead my case today.

I would like you to take a moment to explain further my request to be given an opportunity to extend time in order to complete my schooling here in Nevada. I do realize per multiple conversations the State only allows us 4 years to complete and my requesting another year to finish school may be denied but I am asking you to graciously consider my situation.

In May of 2017 I was on my way to school, I was carrying all my books and supplies when I tripped over a chain link fence. It caught my foot and was literally bent in half. I was rushed to the hospital where they stated I sprained my foot.

I returned to school that same day in a wheelchair since I was unable to walk. Then I was told by my director that I was unable to be at school until a doctor had released me and was able to walk on my own. I laid in bed for two weeks, my foot never healed. It was excruciating. I returned to the hospital for additional x-rays after two weeks then it was discovered I had a rare fracture called Lisfranc.

I was sent to a specialist who hesitated for 8 months to perform surgery. Finally after 9 months they scheduled me for surgery. I have provided my disability paperwork to show that I was on disability from 6-12-2016 to 6-2-2017. This is almost exactly a year I was unable to attend. I then had the task of regaining my health and getting back on feet, literally. Financially I didn't have the opportunity to go right back to school as expected. In between working small jobs and trying to walk again was a struggle, which led me back to southern California with my family to get stable enough to head back to school. I realize I had two years to get myself together but it was difficult. My mother was diagnosed with cancer and needed my help running her company as she was well enough to take it back over. In that time I refractured my ankle in a car accident in 2019 which put me out for another 3 months which included physical therapy to help me walk again properly. I have proof of payments should you need it to make a consideration.

Lastly, in february of 2020 I reached out to the Paul Mitchell school in Costa Mesa and tried to enroll but because of the Covid pandemic of 2020 I was denied and then told to call in June of 2021. I contacted the school in Reno as I am currently living in Mammoth Lakes, CA and asked if I could rejoin immediately only to be told I passed the four year mark. Attached to this letter is my disability proof and my record of hours for school.

I realize I am asking a lot but I am pleading with the board to consider an extension so that I can immediately restart school and graduate in the few months I have left. I know I could have used my time more wisely in between everything that has happened in all our lives the last few years but I am begging for the opportunity to finish what I started and get started to a lucrative career in the cosmetology industry.

Best Regards, Nancy C. Martinez

In re: Quiesha's Beauty Bar & Boutique CEASE AND DESIST NOTICE

Dear Quiesha's Beauty Bar & Boutique,

Be advised that the Nevada State Board of Cosmetology ("Board") has been notified of your unlawful activities in the State of Nevada.

Pursuant to Chapter 644A of the Nevada Revised Statutes ("NRS"), the practice of cosmetology, including the practice of shampoo technology, esthetics, advanced esthetics hair design/braiding, and/or nail technology, is subject to the protection and regulation by the State. Further, the State has entrusted the power to regulate and enforce the practice of cosmetology to the Nevada State Board of Cosmetology.

The Board has obtained information that you are engaged in a practice of cosmetology without being licensed to do so. Chapter 644 of the Nevada Revised Statutes and Nevada Administrative Code regulates the practice of Cosmetology and the branches thereof. The State of Nevada requires cosmetology services to be performed by a licensed individual and in a licensed establishment. By performing any regulated cosmetology services inside 4760 S Pecos Rd Suite 103 Room 4 without proper licensing, you are not in compliance with these provisions.

Predicated on the aforementioned, this correspondence shall serve as a demand that Quiesha's Beauty Bar & Boutique immediately cease and desist from performing any esthetician service(s) and operating a salon without being properly licensed in the State of Nevada.

Be advised that NRS 644A.850 authorizes the Board to impose additional fines of up to \$2,000 per violation upon any person who violates the provisions of NRS 644A.850, which delineates the grounds for disciplinary action by the Board. Additionally, NRS 644A.950 states that any person who violates any provisions of NRS Chapter 644A is guilty of a misdemeanor. In the event you fail and refuse to comply with this cease and desist demand, the Board may seek any and all disciplinary action against you.

This correspondence shall not waive any of the Board's rights and/or remedies, all of which are specifically reserved.

Respectfully, Nevada State Board of Cosmetology

In re: Crystal Bautista
CEASE AND DESIST NOTICE

Dear Ms. Bautista.

Be advised that the Nevada State Board of Cosmetology ("Board") has been notified of your unlawful activities in the State of Nevada.

Pursuant to Chapter 644A of the Nevada Revised Statutes ("NRS"), the practice of cosmetology, including the practice of shampoo technology, esthetics, advanced esthetics hair design/braiding, and/or nail technology, is subject to the protection and regulation by the State. Further, the State has entrusted the power to regulate and enforce the practice of cosmetology to the Nevada State Board of Cosmetology.

The Board has obtained information that you are engaged in a practice of cosmetology without being licensed to do so. Chapter 644 of the Nevada Revised Statutes and Nevada Administrative Code regulates the practice of Cosmetology and the branches thereof. The State of Nevada requires cosmetology services to be performed by a licensed individual and in a licensed establishment. By performing nail services inside your home without proper licensing, you are not in compliance with these provisions.

Predicated on the aforementioned, this correspondence shall serve as a demand that Crystal Bautista immediately cease and desist from performing any cosmetology services (nails) and operating a salon without being properly licensed in the State of Nevada.

Be advised that NRS 644A.850 authorizes the Board to impose additional fines of up to \$2,000 per violation upon any person who violates the provisions of NRS 644A.850, which delineates the grounds for disciplinary action by the Board. Additionally, NRS 644A.950 states that any person who violates any provisions of NRS Chapter 644A is guilty of a misdemeanor. In the event you fail and refuse to comply with this cease and desist demand, the Board may seek any and all disciplinary action against you.

This correspondence shall not waive any of the Board's rights and/or remedies, all of which are specifically reserved.

Respectfully, Nevada State Board of Cosmetology

Unlicensed Activity

To: Lauren	_	Janie Huggins	

S-11668 was cited for unlicensed Activity. Upon my arrival, I introduced myself. There was an individual who was performing a pedicure service on the right side of the salon in the second to last chair. As I was observing the salon I watched the individual get up and make her way to the back of the salon. When I noticed she did not return to her client. I made my way to the back and the individual was gone.

I spoke to the manager he said she was working there for 2 days and holds a license in another state.

The inspection was done in the app.
