

**NOTARIZED ACKNOWLEDGMENT
COLLABORATION WITH A SCHOOL FOR ADVANCED ESTHETICIANS**

On January 1, 2022 Senate Bill 291 went into effect. Senate Bill 291 created a new licensing type: advanced esthetician. As per the Bill, an advanced esthetician may perform nonablative esthetic medical procedures under the supervision of a health care professional.

COMES NOW _____, a health care professional as defined by NRS 453C.030 being first duly sworn, who deposes and says that: I, the undersigned, affirm that I am a licensed health care professional in the state of Nevada, am in good standing with my governing regulatory Board, and am not aware of any disciplinary action, formal or informal; pending against me by my respective licensing Board(s) or any other jurisdiction's medical licensing entity.

In addition to having read Senate Bill 291, I have read and am aware of the laws and regulations included in the Nevada Revised Statutes and Nevada Administrative Code concerning the duties of a supervising health care professional. I am aware that I must remain in compliance with my governing Board(s) regulation(s) pertaining to the duties and obligations of a supervising health care professional along with any rules, regulations, policies and best practices restricting supervision based on level of skill or experience and scope of practice.

I understand that an Advanced Esthetician, student or licensee, may perform nonablative esthetic medical procedures only under the supervision of a health care professional. The term "supervision" as used in this context is outlined in Section 22 of Senate Bill 291.

Notice of any changes to this agreement, including termination of supervision, can be sent via email to inspection@nvcosmo.com or or via USPS mail to:
Nevada State Board of Cosmetology
Attn: Janie Huggins, Regulatory Compliance Specialist
8945 W. Russell Rd. #100
Las Vegas, NV 89148

I hereby certify that I am entering into a collaborative agreement to supervise the students enrolled in a program for advanced esthetics at _____. I agree that this collaborative relationship will not begin until the board has received and approved this collaboration agreement.

WHEREFORE, I set my hands this ____ day of _____, 20_____.
