Reason(s) for appearing before the Board:

I believed that I am being unfairly and wrongly cited as I do NOT do any extensions as any type of business or make any type of money of it. I learned how to do before back in California and I was doing it for a little while back then as a hobby. Once I moved to Las Vegas I started working full time as a server and I go to UNLV full time as well. I do not have any extra time to dedicate myself to this business. I can prove that I work and study with no problem. I can show proof of my schedule and also I am willing to give you a tour in my house. I was doing my mother's and 2 closest friends to show a month ago when I got this notice but they were FREE and FOR FUN. Once I got the first warning letter I definitely stopped and now did nothing anymore. I think I am being unfairly cited and I would like an opportunity to prove that I am innocent, because I deserve it. If I'm not given that I will have to hire an attorney, I am not guilty of the 3 citations listed down below.

Reason(s) for appearing before the Board:

I would like to appear before the board because I am being charged for something I am not doing nor I did. I am a single mom. I live on my own, I don't have time to be doing nails. I work a Monday-Friday 8-5 job. After work I would rather much spend it with my baby & family. That money I am being charged is literally my rent & plus other bills & my baby's needs. Can you please consider letting me appear before the board & fight this? I really am not doing nails without a salon/license. I have my nail lady whenever I do want to get my nails done. I would rather much get my nails done with someone who actually knows what they are doing.

Thank You !

As a follow-up to the 10/10/2022 Board Meeting, please find attached the support documentation requested. There are key differences that distinguish Cryoskin from Coolsculpting. Primarily, Coolsculpting vacuums the fat to the surface of the skin, the fat is "clamped" inside the device, and the skin inside the device is cooled to 0° Celsius or 32° Fahrenheit. The application lasts for approximately one hour. This process is cryolipolysis. Cryoskin is a hot/cool massager with a gel to enhance a smooth appearance. It is clear a device with dramatic impact to the body as Coolsculpting does need advanced education and supervision of a Healthcare Professional. Cryoskin, however, does not achieve the impacts to the body Coolsculpting does.

## Product Comparison of Coolsculpting and Cryoskin

### Coolsculpting Technology: Vacuum Fat to Surface, then Freeze

Most people say that CoolSculpting® is not painful. However, it *does* slightly pinch while the handpiece ‘sucks’ your fat outward.<sup>i</sup>

### NIH Description

Cryolipolysis is the non-invasive, selective destruction of adipose tissue by controlled cooling. The methodology takes advantage of the observation that lipid rich cells are more susceptible to cryoinjury than the surrounding water rich counterparts, such as in the overlying skin. **The treatment device utilizes a cup shaped applicator that draws a roll of skin and subcutaneous adipose tissue between two cooling plates. Typical treatment time is one hour, during which the temperature of the tissue roll decreases to about 0 °C.** Crystallization of cytoplasmic lipids within the adipocytes initiates a cascade of events, characterized by adipocyte apoptosis, panniculitis, and eventual loss of adipocytes. Clinically, this translates into an effective decrease in fat layer thickness.

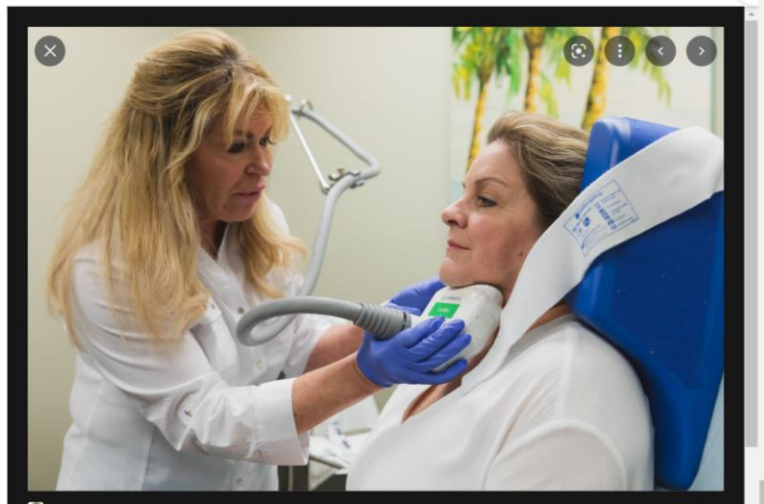

The Food and Drug Administration initially approved Cryolipolysis for the non-invasive reduction in focal adiposity of the flanks in 2008 and later for the abdomen in 2011. Common side effects of the treatment include temporary erythema, edema, and mild pain. Notably, a transient decrease in sensation is seen in 2/3 of patients post treatment, which can persist for up to 8 weeks. Rarely, post-treatment pain may be severe for days after treatment. At present, over 650,000 treatment cycles have been performed worldwide, based on manufacturer data.<sup>ii</sup>

Reason(s) for appearing before the Board:

I Juliette Birch of Body By Juliette am appealing this petition reason being

I was never notified of the changes made by the Nevada State Board and the laws that were just enforced.

The state claims that they came to my place of business and said I was teaching class, which they claim this was in May 2022. No one ever came. In fact I was in Miami and when I returned I had surgery. The shop was closed.

I received a letter a fine for \$2100.00 in August, which I again was not aware of no work done, and not aware of all the changes the state has enforced.

Since then, I did meet with a State Inspector. She came to my shop, explained all the new laws, and I have complied to all of them. I have a medical director that I am under, and I am complying to all the new laws and regulations. And had passed her inspection.

Additionally, this correspondence shall serve as a demand that Bodybyjuliette immediately cease and desist from performing any advanced esthetic services and operating a salon without being properly by the Nevada State Board of Cosmetology.**

Be advised that NRS 644A.850 authorizes the Board to impose additional fines of up to \$2,000 per violation upon any person who violates the provisions of NRS 644A.850, which delineates the grounds for disciplinary action by the Board. Additionally, NRS 644A.950 states that any person who violates any provisions of NRS Chapter 644A is guilty of a misdemeanor. In the event you fail and refuse to comply with this cease and desist demand, the Board may seek any and all disciplinary action against you.

Reason(s) for appearing before the Board: Re: Violation #3142815

This is the second frivolous citation my business has received this year.

#1 the law cited NAC 644.315 has been replaced in revision by NAC 644A.715.

#2 the citation shows a picture of the exhaust vent in the restroom, not the salon exhaust.

At the time of the inspection, the salon exhaust system was clean. No excessive dirt/debris present.

Attached to the email are before and after dusting photos of the restroom fan, and a photo of the unchanged exhaust system in the salon.

#3 the salon was immaculate when the inspection occurred. My employees who were present were told by the inspector that the salon was very clean. No violations or citations were mentioned.

I do not understand why I am receiving a citation after the fact and I can only speculate to the reasons.

I would like to bring this to the attention to the board so such frivolous inefficiencies can be avoided in the future.

Pursuant to NAC 644A.870, grounds for disciplinary action include providing false information to the Board. By signing below you're certifying that the information you provided in connection with this form is true and correct to the best of your knowledge.

I HAVE TAKEN NAIL COURSES IN THE PAST IN ANOTHER COUNTRY, YEARS AGO.

I DIDN'T WANT TO LOSE PRACTICE, SO I DID PRACTICE WITH SOME OF MY FAMILY MEMBERS.

AS SOON AS I HAD THE OPPORTUNITY TO START A NEW CAREER, I TOOK THAT CHANCE TO REGISTER TO EUPHORIA INSTITUTE TO BECOME A LICENCED NAIL TECHNICIAN. THIS WAS IN AUGUST 2022. ONE OF THE FIRST THINGS THAT I WAS ADVISED AND WARNED ABOUT AT EUPHORIA INSTITUTE WAS THAT WE MAY NOT DO ANY NAILS AT HOME, SO I IMMEDIATELY CEASED FROM DOING NAILS OUTSIDE OF SCHOOL. I INFORMED MY FAMILY OF WHAT I WAS WARNED ABOUT AT EUPHORIA INSTITUTE AND IMMEDIATELY DELETED PICTURES THAT I HAD POSTED ON SOCIAL MEDIA.

I HAVE BEEN TARGETED BY AN INDIVIDUAL WHO HAS BEEN MALICIOUSLY INTENDING TO JEOPARDIZE ME AT WORK AND NOW WITH MY FUTURE CAREER. THIS INDIVIDUAL HAS CREATED FALSE REVIEWS AT MY PLACE OF EMPLOYMENT, FORTUNATELY SOME REVIEWS WERE TAKEN DOWN AFTER MY MANAGER APPEALED THEM (ONE WILL BE ATTACHED TO THIS COMPLAINT). I AM CERTAIN THAT THIS INDIVIDUAL FABRICATED A STORY AND FILED A COMPLAINT AGAINST ME NOT KNOWING THAT I AM A STUDENT AT EUPHORIA INSTITUTE AND THAT I WAS NOT CONDUCTING A BUSINESS AT MY HOME. MY NAME IS MISPELLED, AND THE ADDRESS IS INCORRECT. THIS INDIVIDUAL PROVIDED FALSE AND INACCURATE INFORMATION.

THE CORRECT SPELLING OF MY NAME IS ESTEFFENY ABRAHAM-ZAMORA, AND MY CORRECT ADDRESS IS 3929 PROCLAMATION PLACE LAS VEGAS, NEVADA 89110 (PLEASE SEE ATTACHED BILLS OF MY ADDRESS AND COPY OF MY DL WITH MY CURRENT ADRESS). THE ADDRESS PROVIDED BY THE PERSON FILING THE COMPLAINT IS A PREVIOUS ADDRESS. I AM FAMILIAR WITH THE NEW TENANTS, AND THEY WERE KIND ENOUGH TO ISSUE A COPY OF THEIR CONTRACT (SEE ATTACHED) TO PROOF THAT I DO NOT LIVE IN THIS ADDRESS.

I AM REQUESTING THAT THIS MATTER BE LOOKED AT FURTHER AND GIVE ME THE OPPORTUNITY TO SHOW AS MUCH PROOF AS I CAN POSSIBLY SHOW IN HOPES THAT THE COMPLAINTS AND VIOLATION CHARGES ARE REMOVED.

THANKYOU IN ADVANCE FOR YOUR ATTENTION IN THIS MATTER.

RESPECTFULLY SUBMITTED,

ESTFEFFENY ABRAHAM ZAMORA

Dear Ms. Abraham,

Be advised that the Nevada State Board of Cosmetology ("Board") has been notified of your unlawful activities in the State of Nevada.

Pursuant to Chapter 644A of the Nevada Revised Statutes ("NRS"), the practice of cosmetology, including the practice of shampoo technology, esthetics, advanced esthetics, hair design/braiding, and/or nail technology, is subject to the protection and regulation by the State. Further, the State has entrusted the power to regulate and enforce the practice of cosmetology to the Nevada State Board of Cosmetology.

By performing nail services inside of your home without proper licensing, you are not in compliance with these provisions.

Predicated on the aforementioned, **this correspondence shall serve as a demand that Estefanny Abraham immediately cease and desist from performing any nail services and operating a salon, without being licensed in the State of Nevada.**

Be advised that NRS 644A.850 authorizes the Board to impose additional fines of up to \$2,000 per violation upon any person who violates the provisions of NRS 644A.850, which delineates the grounds for disciplinary action by the Board. Additionally, NRS 644A.950 states that any person who violates any provisions of NRS Chapter 644A is guilty of a misdemeanor. In the event you fail and refuse to comply with this cease and desist demand, the Board may seek any and all disciplinary action against you.

This correspondence shall not waive any of the Board's rights and/or remedies, all of which are specifically reserved.

# PETITION TO APPEAR BEFORE THE NEVADA STATE BOARD OF COSMETOLOGY

8945 West Russell Rd., Suite #100  
Las Vegas, NV 89148

740 Del Monte Lane, Suite #12  
Reno, NV 89511

Pursuant to NAC 644A.940, a person may petition to appear before the Board and be heard on any matter within the Board's jurisdiction provided that the petition contains a brief summary of the subject matter and contains the reasons for bringing the matter before the board. Upon receipt of the petition, the Executive Director may make an initial evaluation to determine whether the subject of the petition is within the jurisdiction of the Board.

Once completed, please mail this form to one of the Board offices or e-mail this form to [inspection@nvcosmo.com](mailto:inspection@nvcosmo.com).

Remember to fill out the form in its entirety. Incomplete petitions and petitions that fail to provide a clear summary of the reason(s) for wishing to appear before the Board will be rejected. If approved, your petition is limited to the items listed on this petition form. For this reason, be sure to list on this form any and all items for which you wish to appear before the Board. If more space is needed to complete your petition summary, additional pages may be attached.

Name: Alisa Alaverdyan

**Please select Petition type:**

☐ Request a Variance (include NAC)

☐ Felony Application Review

☒ Appeal a Violation (include violation number(s))  
Application #: U-101013633

Reason(s) for appearing before the Board:

I am appealing the Board's decision to deny my petition under application U-101013633. The Board's decision was based on discrepancies with attendance dates.

First, I submitted reference from GABBE beauty center - showing 1,800 hours completed during 2014-2015. The submitted document showed the division of hours between Manicure (320), hairdressing (800), skin care (180), makeup (180), and cosmetology (320). I believe that this was sufficient to meet the hour requirement for Cosmetology.

In addition, I also submitted a certificate from Bisset Beauty zone with additional 1,800 hours completed. The submitted document showed the division of hours between microblading, shading & shaping (600), nails (600), hair style techniques, shampooing, coloring & cutting (300), and facials, esthetics, and application (300). These hours which were identified in the student transcript should have also been sufficient to meet the hour requirement for Cosmetology.

Since I submitted two different certificates/transcripts from two different institutions, there may have been a confusion in attendance, course completions, etc. I respectfully request a hearing before the Board to explain my completed coursework as I believe it is sufficient to meet the hour requirement.

Pursuant to NAC 644A.870, grounds for disciplinary action include providing false information to the Board. By signing below you're certifying that the information you provided in connection with this form is true and correct to the best of your knowledge.

Reciprocity Application Denial

Alisa Alaverdyan:

The Nevada State Board of Cosmetology has had the opportunity to review your application for Reciprocity. At this time the Board is denying your application for the following reason(s).

- Unable to accept Out of State Apprenticeship hours pursuant to NRS 644A.300 in order to qualify for testing.
  - o Discrepancies were found with attendance dates according to the application received on 4/12/2022 and transcripts received from Bizet Aesthetic Beauty Zone and Barber Shop.

Due to these discrepancies, we are unable to approve your Reciprocity application and you will need to complete your training at an approved school in Nevada.

## Violation 3142815

2 messages

Cookie Cutters Las Vegas

Fri, Nov 11, 2022 at 4:40 PM

To: "inspection@nvcosmo.com" <inspection@nvcosmo.com>

This is the second frivolous citation my business has received this year.

#1 the law cited NAC 644.315 has been replaced in revision by NAC 644A.715.

#2 the citation shows a picture of the exhaust vent in the restroom, not the salon exhaust.

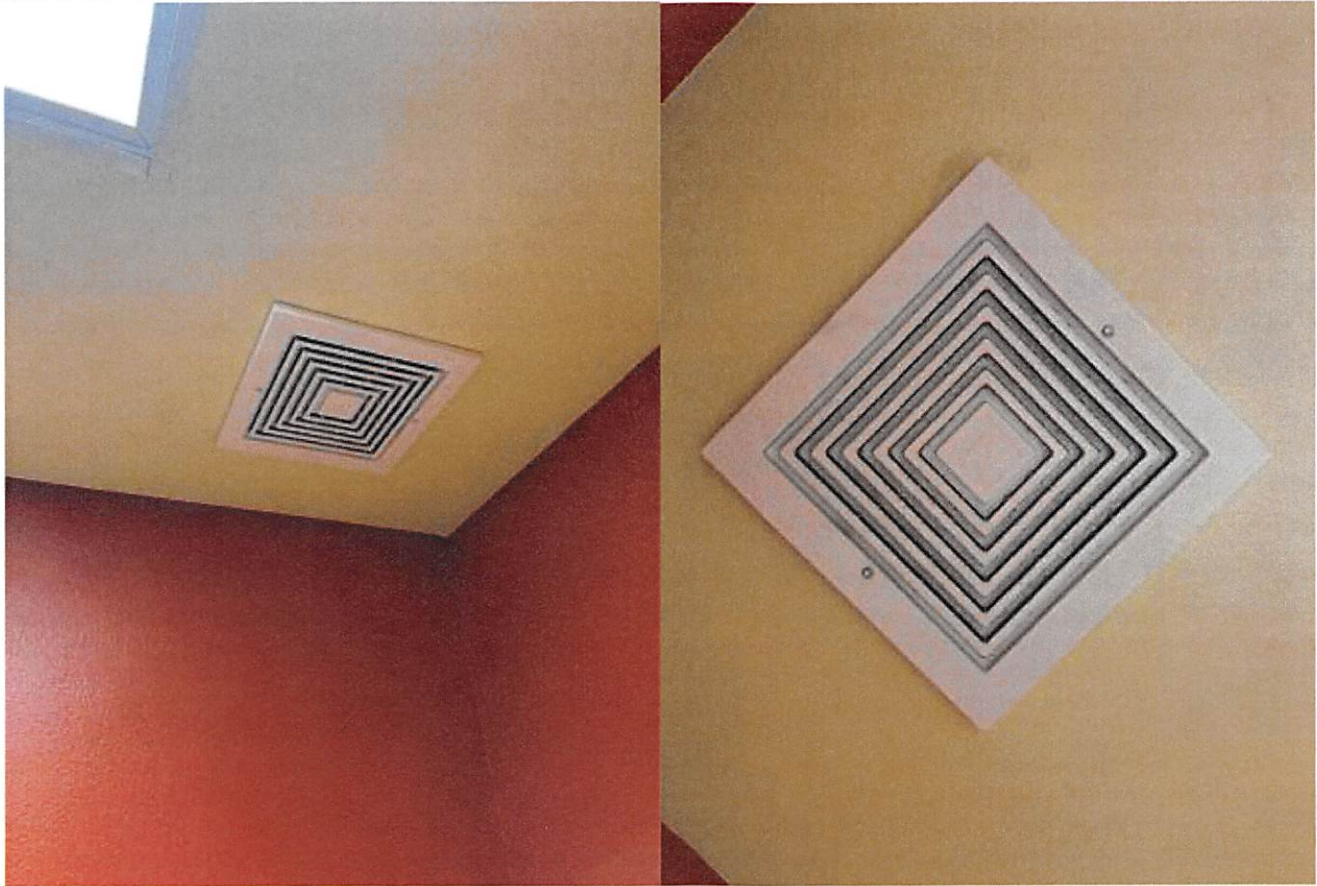

At the time of the inspection, the salon exhaust system was clean. No excessive dirt/debris was present.

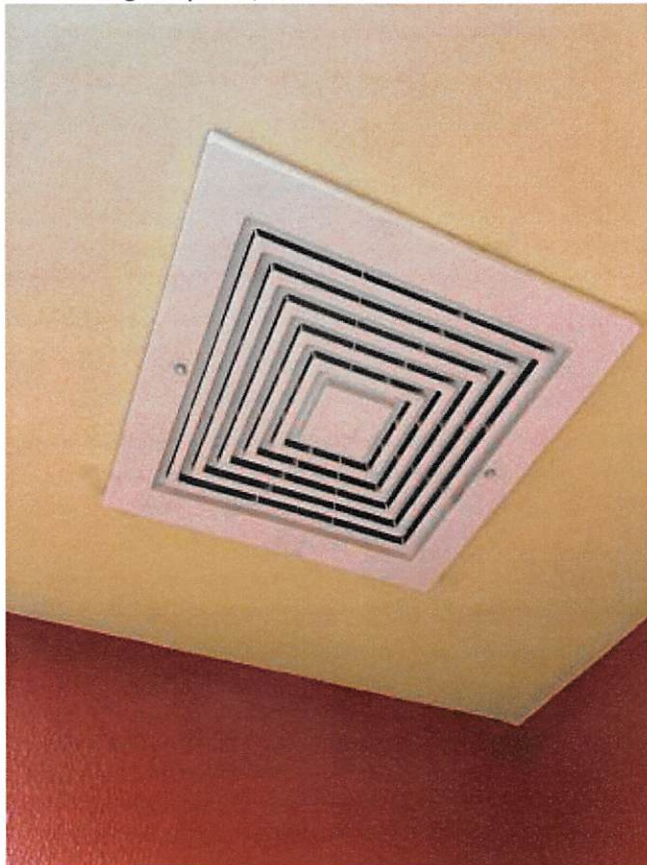

Regarding the exhaust in the bathroom, it was also in good working order, with a minor amount of dust on the surface. The inspector's photo was taken on an unflattering angle to make it look worse than it was. With a better resolution camera

and from a better angle it is obvious to be a minor amount of dust. Photos attached

After taking the photo, the dust was removed. Photo attached.

#3 the salon was immaculate when the inspection occurred. My employees who were present were told by the inspector that the salon was very clean. No violations or citations were mentioned. I do not understand why I am receiving a citation

after the fact and I can only speculate to the reasons. I would like to bring this to the attention to the board so such frivolous inefficiencies can be avoided in the future.

#### Product Comparison of Coolsculpting and Cryoskin

Coolsculpting Technology: Vacuum Fat to Surface, then Freeze

Most people say that CoolSculpting® is not painful. However, it *does* slightly pinch while the handpiece 'sucks' your fat outward.<sup>i</sup>

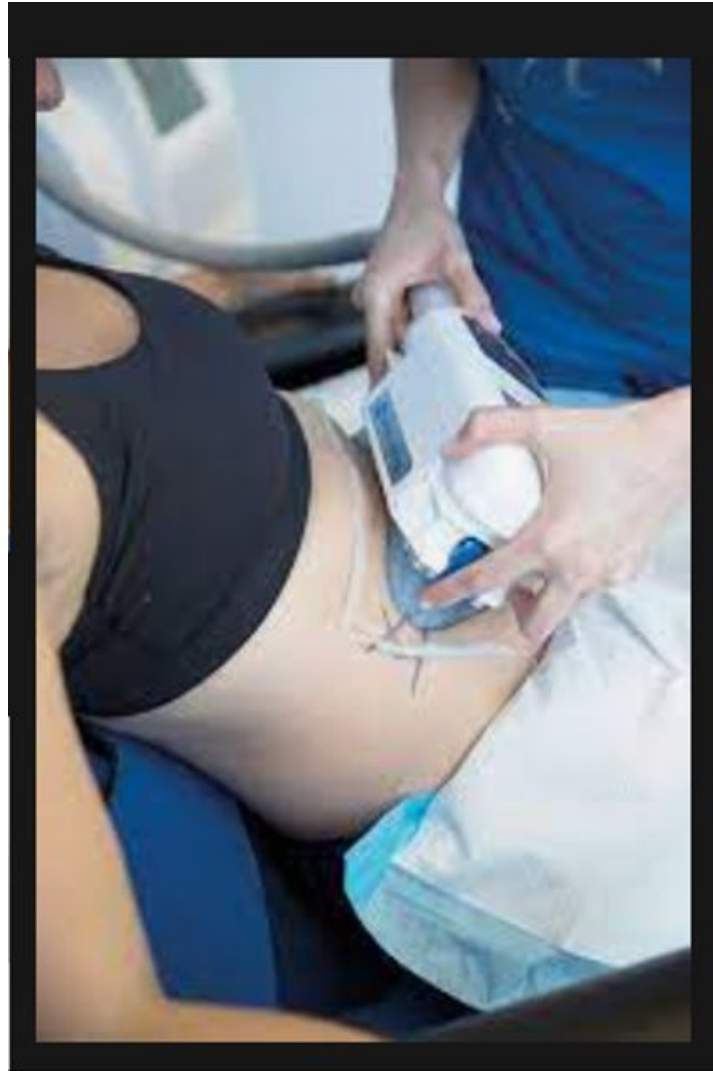

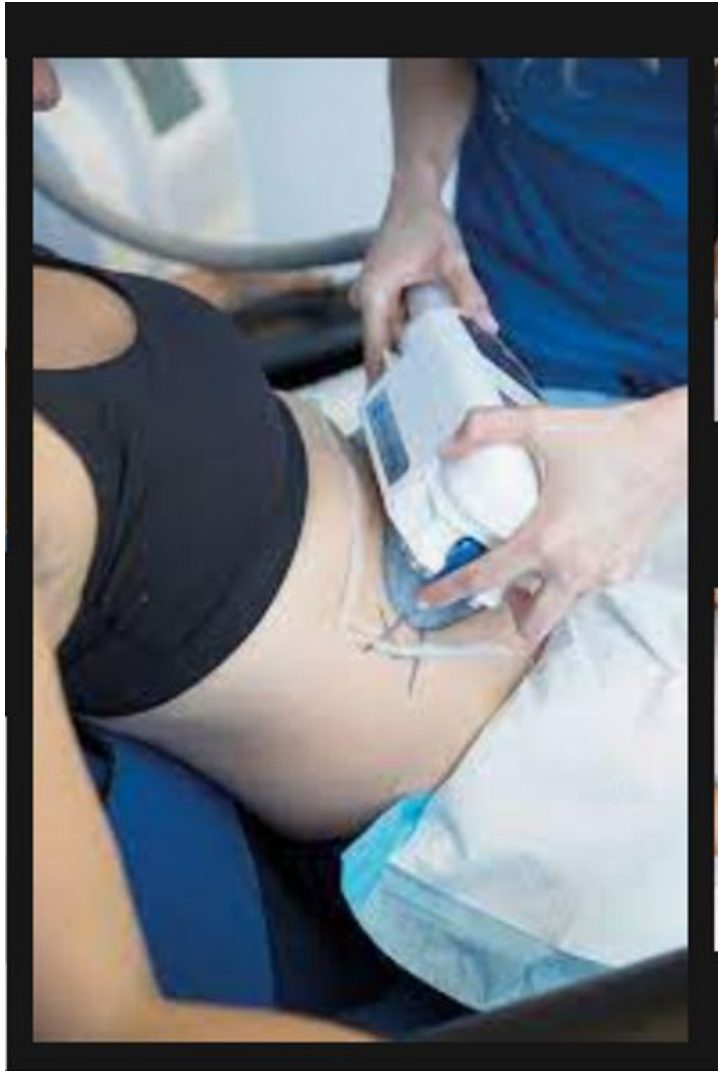

#### NIH Description

Cryolipolysis is the non-invasive, selective destruction of adipose tissue by controlled cooling. The methodology takes advantage of the observation that lipid rich cells are more susceptible to cryoinjury than the surrounding water rich counterparts, such as in the overlying skin. The treatment device utilizes a cup shaped applicator that draws a roll of skin and subcutaneous adipose tissue between two cooling plates. Typical treatment time is one hour, during which the temperature of the tissue roll decreases to about 0 °C. Crystallization of cytoplasmic lipids within the adipocytes initiates a cascade of events, characterized by adipocyte apoptosis, panniculitis, and eventual loss of adipocytes. Clinically, this translates into an effective decrease in fat layer thickness.

The Food and Drug Administration initially approved Cryolipolysis for the non-invasive reduction in focal adiposity of the flanks in 2008 and later for the abdomen in 2011. Common side effects of the treatment include temporary erythema, edema, and mild pain. Notably, a transient decrease in sensation is seen in 2/3 of patients post treatment, which can persist for up to 8 weeks. Rarely, post-treatment pain may be severe for days after treatment. At present, over 650,000 treatment cycles have been performed worldwide, based on manufacturer data.<sup>ii</sup>

### Description

Ultrasonic Cavitation is a non-invasive fat reduction procedure. This treatment effectively eliminates localized fat cells that are resistant to exercise. With the use of ultrasonic acoustic waves, focused beams of energy are permitted to pulsate through the treatment area to rupture fat cells. The content is later broken down and released to begin the metabolic process of transporting waste to the liver, where it is flushed out through the lymphatic and urinary systems. Radio frequency uses sound waves to tighten skin and stimulate collagen, helps with stretch marks and skin tightening. Vacuum therapy helps to stimulate the lymphatic system. I also use this to lift and tighten skin and smooth out any bumps, unevenness, and cellulite. Laser Liposuction is a treatment that shrinks fat cells beneath the skin. There are no incisions and the fat is liquefied and removed as waste through the body's lymphatic and urinary systems. I use all of those things during a one hour treatment. To get optimal results, you should try to come once every 3-5 days and be consistent at coming until you are satisfied with the treatment. Also eating a healthy diet, drinking plenty of water, and exercise will give you the optimal results for this treatment. To really start seeing results it takes about 5-8 treatments.

Hi I'm Amy! I am a new momma to two little girls (both under the age of 2). I started my business of body sculpting during the height of the pandemic because of my new title as mother. I needed to do something that would accommodate motherhood but also provide for my new little family. It has been such an amazing journey for me so far because I am able to help people of all body types eliminate that stubborn fat that we all have trouble getting rid of. Seeing the transformation that my clients go through and the happiness that it brings them is one of my favorite things about body sculpting. I also love getting to know everyone and providing a safe place to talk about whatever may be on your heart and mind and assuring that whatever is said during our session STAYS between you and I. I look forward to meeting you and giving you the best results possible.
